Faiths United to Save Democracy (FUSD) is a nonpartisan, multi-racial, multi-faith, and multi-generation 2024 voter protection campaign focused on the states of Alabama, Arizona, Florida, Georgia, Michigan, North Carolina, Ohio, Pennsylvania, Texas and Wisconsin. It is rooted in the belief that everyone is made in the image of God and deserves the freedom to vote in free, fair, and safe elections.

The FUSD campaign exists to overcome the recent assault on democracy, making it more difficult for low-income, elderly, Black and Brown students, and disabled citizens to exercise their sacred right to vote.
